SIZES AVAILABLE

22511-05 **5 Gallon Container**

☐ Weighs 50 lbs.

22511-55 **55 Gallon Drum**

☐ Weighs 530 lbs.

Caution:

RAMPAGE is a powerful concentrate containing Sodium Hydroxide and can cause burns. Use full protective clothing and eye wear.

RAMPAGE can be used in a low pressure sprayer to prepare surfaces prior to painting. Apply pure or 1:1. Allow a dwell time and rinse from the top down before the surface dries.

RAMPAGE can be diluted further when using a chemical injector to high pressure wash equipment per the soil severity.

RAMPAGE is a heavy-duty caustic off road cleaner. Dilution of this powerful product ranges from pure to 1:100 depending upon soil, and water conditions. It is designed to clean off road equipment, dozers, scrapers, front-end loaders, backhoes, etc. This product will remove carbon, grease, and other stubborn problems. It will work best in hot water or steam, and rinse free at any temperature. Do not use on automobiles, over the road trucks, or aluminum surfaces.

TECHNICAL INFORMATION
