FILM FIGHTER is an aggressive truck wash that is designed to remove heavy road film and grease.

FILM FIGHTER can be used to clean most any equipment effectively that may be in deplorable condition.

Dilute per the soil conditions.

Contains Sodium Hydroxide. DO NOT USE ON ANODIZED OR POLISHED ALUMINUM. DO NOT USE ON DELICATE PAINTED SURFACES AT CONCENTRATIONS OF LESS THAN 1:15 UNLESS THE APPLICATION IS CLEANING PRIOR TO PAINTING. DO NOT ALLOW TO DRY ON SURFACES. ALWAYS RINSE THOROUGHLY.

Test a small surface prior to cleaning

FILM FIGHTER is one of the most popular truck wash concentrates in the industry. Used as directed, it will clean painted surfaces without damage. It excels at removing carbon stack stain and magnetic road film from tractors & trailers inside and out without brushing.

FILM FIGHTER will work in cold water as well as hot water, and rinses free at any temperature. It will clean aluminum surfaces and is designed for heavy-duty truck washing.

FILM FIGHTER can be used in drive through truck washes or with pressure washers.
