**TRUCK N TRAILER is a premier truck wash that is designed to remove heavy road film and grease.**

**TRUCK N TRAILER is effective in hard water conditions.**

**TRUCK N TRAILER can be used to clean most any equipment effectively and without harm to paint or mirror polished aluminum when used as directed.**

**Dilute per the soil conditions through a chemical injector.**

**TRUCK N TRAILER is** designed to work in hard water conditions. It will safely clean polished aluminum and painted surfaces of over the road tractors, trailers, along with other type commercial vehicles without damage. This product will remove magnetic road film from trailers **without brushing**. It will work in cold water as well as hot water, and rinse free at any temperature. It is designed for heavy duty cleaning such as drive through truck washes.

**DIRECTIONS FOR USE:** For use in hot pressure washers, apply to the surface at the rate of 1 part cleaner to 25 parts water. For use in cold pressure washers and cold water drive through truck wash systems use at the rate of 1 part cleaner to 10 parts water. When cleaning with pressure washers, always apply cleaning solutions from the bottom up on a dry surface. Always detail clean from the bottom up and rinse from the top down.

**5005 Belmar Blvd. Unit C-5 Farmingdale, NJ 07727**
